Effect of Food on How Long it Takes a Sea Anemone to Shrink Down to a Certain Size

Emily "The Anemone" Zepkullic

Anemone will shrink by expelling water in a shorter amount of time with a larger amount of food.

Table: The amount of food given to the Anemone

Amount of Food	Time (min)
$\frac{1}{2}$ a cube of food	3
1 cube of food	3

Time in which it takes...
